The state protects you against inexperienced Doctors and Lawyers, but you have to protect yourself against inexperienced Roofers. And remember, the best material in the world can be spoiled by inexperienced workmen.

Certain-teed, a good roofing made better by Miller process. Higher asphalt saturation, heavier material, fast colors. Passed by Board of Underwriters. Lower insurance rate. He profits most who serves best.

TELEPHONE "JACKS" OFTEN
ADD GREATLY TO CONVENIENCE

At desired points, "jacks" for a portable telephone may be installed in your home or business premises. A "plug" on the end of the portable telephone cord makes the telephone connection.

This is one of several special types of telephone service which are available for particular requirements.
