

# Inter-City Calls

Inter-City Calls may be classified under two heads as follows:

## I. CALLS HANDLED BY YOUR LOCAL OPERATOR (NUMBER SERVICE)

These are calls to out-of-town stations at nearby points. "Number Service" points are shown on the inside front cover under List "A". Calls to these points are accepted by the local operator by number only. For Person-to-Person calls to "Number Service" points to which this service is available—call Long Distance.

To place a Number Service call, call or dial your local operator and give her the telephone number you want to reach. If you do not know the telephone number, consult the Directory or call "Information."

## II. CALLS HANDLED BY THE LONG DISTANCE OPERATOR

The principal types of telephone service rendered by the Long Distance Operator are the Station-to-Station and Person-to-Person services. An explanation of these services and the method of placing calls under each type is presented below. The Collect, Appointment and Messenger services rendered by the Long Distance Operator are also explained.

Faster service is obtained on all calls if the number of the called telephone is given.

STATION-TO-STATION CALLS	PERSON-TO-PERSON CALLS
<p>A Station-to-Station call is one on which you wish to talk with <i>Anyone Who Answers</i> at the called station. The rates are less than on person-to-person calls, and are further reduced during certain hours of the evening and night. (See rate information on inside front and back covers).</p> <p>To place a Station-to-Station Long Distance call, proceed as follows:</p> <ol style="list-style-type: none"> <li>1. Call or dial the Long Distance Operator, giving her the name of the city and the telephone number you are calling.</li> <li>2. If the telephone number of the person called is not known, give the name and address, and tell the operator you will talk with <i>anyone</i> who answers the telephone.</li> <li>3. Give your telephone number when the operator requests it.</li> <li>4. Unless otherwise advised by the Long Distance Operator, wait on the line until the called number answers or the operator gives a report.</li> </ol>	<p>A Person-to-Person call is one on which you wish to talk with a <i>Particular Person Specified By You</i>. If you wish to talk to a particular station of a private branch exchange without specifying a particular person, this is also classed as a Person-to-Person call.</p> <p>To place a Person-to-Person call, proceed as follows:</p> <ol style="list-style-type: none"> <li>1. Call or dial the Long Distance Operator, giving her the name of the city, and the telephone number and name of the person you are calling.</li> <li>2. If the telephone number is not known, give the name and address of the person you are calling.</li> <li>3. Give your telephone number and name when requested by the operator.</li> <li>4. Unless otherwise advised by the Long Distance Operator, wait on the line until the called party answers or the operator gives a report.</li> </ol>
<p>If you wish to have charges quoted on an inter-city call, ask the operator to quote charges immediately after you have given the called number information.</p>	

## APPOINTMENT CALLS

An Appointment Call is one on which you wish arrangements made in advance with the called station or person to talk at a specified time. A charge slightly higher than the Person-to-Person rate is made for Appointment Calls to Pacific Coast Points (points in California, Nevada, Oregon and Washington).

## MESSENGER CALLS

A Messenger Call is a call for a particular person requiring a messenger to bring the desired person to the telephone. The charge for the messenger applies even if the desired conversation is not held and is in addition to the Telephone Company's charges for "Messenger Call" service.

A charge slightly higher than the Person-to-Person rate is made for Messenger Calls to Pacific Coast points.

# Rates

Rate information will be found on inside front and back covers. Rates to points not listed may be obtained by calling Long Distance or dialing 211.
