YOUR TELEPHONE DOES SO MUCH

Think of the steps it saves. The precious moments in unexpected emergencies. The friends it reaches. The good news it may bring. . . tidings often of supreme importance.

**Are Your Telephone
Customers walking
out?**

A lone clerk cannot serve a number of eager customers all at the same time . . . Nor can one telephone line . . . Complete telephone service in your place of business, including a sufficient number of central office lines, is the best assurance that your telephone customers are not "walking out". . . CALL OUR BUSINESS OFFICE FOR COMPLETE INFORMATION.
