FOR THE HARD OF HEARING

A special telephone has been developed by the Bell System for the aid of those with impaired hearing.

Installed in the home or office, it amplifies the volume of sound, making it possible, in many instances, for those who experience difficulty in hearing to hear more easily.

Our nearest business office will gladly give further information. Or just call our business office.

THE PACIFIC TELEPHONE AND TELEGRAPH CO.

An Extension Telephone at your

BEDSIDE
Gives protection.... and convenience

The cost of such service is low. May we tell you more about the advantages of extensions and the different types of instruments? Just call our Business Office.
