SAN FRANCISCO LAUNDRY

WEst 2000
 Launderers and Dry Cleaners

Our New, Up-to-date Cleaning Plant:
 Uses a carbon-tetrachloride cleaning fluid that removes dirt and stains most readily, and leaves no odor.
 Passes a continuous flow of purified solvent thru the container holding the articles, further improving dirt removal.
 Employs a very superior crew of skilled workers whom you can trust for best service with utmost confidence.
 The result—cleaner cleaning, brighter colors, unexcelled workmanship, an appearance of newness in the finished product.
