**FOR TELEPHONE USERS  
WHO ARE HARD OF HEARING**

Important aids for the deaf have been developed by the Bell System. Those who are hard of hearing over the telephone can be provided with head sets and special amplifying equipment. Our business office will gladly explain.

THE PACIFIC TELEPHONE AND TELEGRAPH CO.

Each new issue of the telephone directory contains an important percentage of listings that are new, or with changed numbers.

Even in calling unchanged telephone numbers, memory will play pranks.

Please consult the directory first, if you are in the least doubtful about the accuracy of a number.
