

Inter-City Calls

Inter-City calls may be classified under two heads as follows:

I. CALLS HANDLED BY YOUR LOCAL OPERATOR

Station-to-Station calls to certain points, the names of which are preceded by a star (★) in the list of rates on inside front cover, will be accepted by your local operator when placed by number. If you do not know the telephone number, consult the Directory or call "Information" before placing your call.

For Person-to-Person calls to points to which Person-to-Person service is available—call "Long Distance" or dial 211.

II. CALLS HANDLED BY THE LONG DISTANCE OPERATOR

The principal classes of telephone service rendered by the Long Distance Operator are the Station-to-Station and Person-to-Person services. An explanation of these services and the method of placing calls under each class is presented below.

Faster service is obtained on all calls if the number of the called telephone is given.

STATION-TO-STATION CALLS	PERSON-TO-PERSON CALLS
<p>A Station-to-Station call is one on which you wish to talk with <i>Anyone Who Answers</i> at the called station. The rates are less than on Person-to-Person calls.</p> <p>To place a Station-to-Station Long Distance call, proceed as follows:</p> <ol style="list-style-type: none"> 1. Call or dial the Long Distance Operator, giving her the name of the city and the telephone number you are calling. 2. If the telephone number of the person called is not known, give the name and address, and tell the operator you will talk with anyone who answers the telephone. 3. Give your telephone number when the operator requests it. 4. Unless otherwise advised by the Long Distance Operator, wait on the line until the called number answers or the operator gives a report. 	<p>A Person-to-Person call is one on which you wish to talk with a <i>Particular Person Specified By You</i>. If you wish to talk to a particular station of a private branch exchange without specifying a particular person, this is also classed as a Person-to-Person call.</p> <p>To place a Person-to-Person call, proceed as follows:</p> <ol style="list-style-type: none"> 1. Call or dial the Long Distance Operator, giving her the name of the city, and the telephone number and name of the person you are calling. 2. If the telephone number is not known, give the name and address of the person you are calling. 3. Give your telephone number and name when requested by the operator. 4. Unless otherwise advised by the Long Distance Operator, wait on the line until the called party answers or the operator gives a report.
<p>If you wish to have charges quoted on an Inter-City call, ask the operator to quote charges immediately after you have given the called number information.</p>	

APPOINTMENT CALLS

An Appointment Call is one on which you wish arrangements made in advance with the called station or person to talk at a specified time. Person-to-Person rates apply to calls of this nature.

MESSENGER CALLS

A Messenger Call is a call for a particular person requiring a messenger to bring the desired person to the telephone. Person-to-Person rates apply to calls of this nature. The charge for the messenger applies even if the desired conversation is not held and is in addition to the Telephone Company's message charge.

REPORT CHARGES

A limited charge, known as a "Report Charge," is made on uncompleted Person-to-Person, Appointment, Messenger, and Collect calls if the called telephone is reached but communication between the calling and called parties is not established for reasons beyond the control of the Telephone Company.

Rates

From 7:00 P. M. to 4:30 A. M. every night and all day Sunday, rates are lower on both Person-to-Person and Station-to-Station calls to the majority of points. See inside front and inside back covers for rates to certain points. Rates to points not listed and other information regarding Inter-City calls may be obtained by dialing 211 or calling "Long Distance."
