Perhaps the article or service you are looking
for can be found right in your neighborhood.
Do not go out of your way—refer to the
Classified Telephone Directory, then you are
sure before you start out.

IT PAYS to have a TELEPHONE
When concluding a business interview, it's worth while being able to say, "This is my telephone number." And when your friends want to reach you quickly, or you want them, how much a telephone means! Nothing does so much for so little.
