INCLUDE YOUR TELEPHONE  
IN YOUR COLLECTION WORK

It travels fast—economically—and goes  
direct to the party to whom you wish to talk.  
It will:

- Determine if your customer's purchase  
has been satisfactory.
- Find out reason for non-payment.
- Secure a definite promise to pay.
- Establish and maintain a friendly rela-  
tion with customer.
- Stimulate further purchases.

**HAND TELEPHONES  
Available in Two Styles**

The familiar cradle-type hand telephone is a combination  
of utility, convenience and good looks. It is preferred in  
most homes and offices.

The hang-up type hand telephone allows more desk work-  
ing space and yet is in easy reach for instant use. It is also  
ideal for home kitchens and other locations where there is  
no table space.

For information about this or any other telephone equipment  
call our Business Office.
