DR. WILLIAM NORMAN WHYBROW. 14 Years' Continuous Practice. The measure of Chiropractic, in the strict sense of the word, is the one, TRUE, curative measure. The treatment, due to the efficiency of his technique, is free from severity. Exposition Visitors—WELCOME to San Francisco, and to the best that is within our City. No hired Assistant handles any patient in the Doctor's Office. For every ailment, that flesh is kin to, TRY CHIROPRACTIC FIRST. In all cases, where disorder is curable, CHIROPRACTIC WILL CURE; where incurable, it will control the suffering. It is useless to go on dealing with effects, and leave the cause untouched. Respecting Doctor Whybrow's system of Body Manipulation, listen to the words of a San Francisco Physician and Surgeon, a man high among the first flight of the Medical World: "You have combined an intellectual series of movements calculated to cover the entire nervous system and control of the body. The treatments are so designed that, in my opinion, no one could fail to be benefited." OFFICE & RESIDENCE — Mezzanine Floor, 882 GEARY STREET. PHONE first for Appointment... ORdway 8778.
