AS SHE TYPES, COPIES APPEAR AT
MANY POINTS AT ONCE

A typist in one city, on a Teletype-
writer, records an order, letter, bill or
memorandum.

As her fingers touch the keys of her in-
strument, those exact letters appear simul-
taneously in other offices in the same
building or in distant cities.

Such is the Teletypewriter, a new aid to
modern business.

Office, plant, warehouse, all can be tied
together by the Teletypewriter.

THE PACIFIC TELEPHONE AND TELEGRAPH CO.
