"I know the name of the product . . . but I do not know where to find it." Just look for the advertised brand name in your Classified Telephone Directory. There you'll find names, addresses and telephone numbers of authorized agents or dealers who can supply the article you want.

IT PAYS to have a TELEPHONE
When concluding a business interview, it's worth while being able to say, "This is my telephone number." And when your friends want to reach you quickly, or you want them, how much a telephone means!
Nothing does so much for so little.
