FOR TELEPHONE USERS
WHO ARE HARD OF HEARING
Important aids for the deaf have been
developed by the Bell System. Those who
are hard of hearing over the telephone
can be provided with head sets and special
amplifying equipment. Our business of-
fice will gladly explain.

To be cut off from human contacts is to
live but part of life. The wonder of the
telephone is that it multiplies human con-
tacts, restores broken ones, strengthens
strained ones and constantly develops
new ones.
