

WAR CALLS COME FIRST

▶ Long Distance telephone lines are crowded these days with war calls. These calls are urgent. We know you want them to have the right-of-way. Ordinarily we'd meet such a rush of calls by building new lines. But, with materials gone to war, that's impossible now. That's why we're asking your cooperation to speed the calls of war.

HERE'S HOW YOU CAN HELP

▶ Leave the wires clear for war traffic by making only vital long distance calls to the War Busy centers.

Your cooperation and your understanding are helping us to do our part to bring Victory closer.
