Please-
DON'T "HANG UP"
TOO SOON

Sometimes people place
telephone calls and do
not give the called per-
son sufficient time to
answer.

Wait a few seconds
longer - perhaps the
person you are calling
is almost there!

Please distinguish between the
black letter O and the red figure 0
when dialing. Be sure to bring your
finger all the way around to the
finger stop for each letter or digit
dialled and then release the dial
without forcing or retarding its re-
turn motion.
