Sometimes, when you've a Long
Distance call to a war-busy place,
the operator will say—
"Please limit your call to 5
minutes."

Whenever we have had to ask
that Long Distance calls be kept to
5 minutes, there has been a fine
spirit of co-operation from the
public.

We want to say thanks for that.

The only time most service men
are free to call home is between
7 and 10 o'clock at night. They can
get their calls through easier if the
wires aren't crowded during those
hours.
