If the telephone number at your residence is listed under another's name, frequently friends do not know how to reach you. For small cost you can have a separate listing in the Telephone Directory under your own name.

The Classified Telephone Directory lists many local tradespeople, services and products. Keep it handy and make it your buying guide.

Have you thought of having a separate business listing in the Telephone Directory under your own name? The charge for these extra listings is small, the convenience often great.
