When You Have FORGOTTEN . . . A NAME

Recommended By Someone

You remember someone having recommended a certain concern or dealer, but can't remember the name recommended.

LOOK IN THE Classified TELEPHONE SECTION

You will probably recognize the name when you see it.

Rather than dial operator on local calls, please dial these calls direct. Please be sure you hear the dial tone before starting to dial. If slow dial tone should be experienced at any time, please wait. "Flashing" prevents the equipment from doing an effective job for you.
