It's natural to trust to memory—but when memory plays tricks with a telephone number, you're delayed. Have the right number before you call.

WHY HALSTED & CO. SERVICE EXCELS

- The City's most modern chapels and equipment.
- Permanent staff of trained men and women.
- Each service superbly beautiful and dignified.

That is why HALSTED & CO. conducts approximately twice as many funerals as any other San Francisco mortician, and provides unequalled value regardless of price.

The family decides the cost.
