Two friendly telephone habits:
QUICK to answer when your bell
rings; SLOW to hang up when you
call someone who does not immedi-
ately respond. In calling others,
remember that the called person
may be almost there—so wait a few
seconds longer.

Rather than dial operator on
local calls, please dial these calls
direct.

Please be sure you hear the dial
tone before starting to dial. If slow
dial tone should be experienced at
any time, please wait. "Flashing"
prevents the equipment from doing
an effective job for you.
