A store may not immediately
come to the mind of a prospect
when special services are desired,
such as are offered by a Beauty
Salon, Radio or Watch Repairing
Department. Many establishments,
realizing this, advertise under sev-
eral classifications in the Classified
Directory. Thus they direct more
business their way.

More and more, business men
are finding that it pays in good will
to place and receive their telephone
calls with as little time-lag for the
other fellow as possible. They place
their own calls or stay close to the
telephone when they tell someone
else to do it.
