A thoughtful party-line user an-
swers her telephone bell promptly
... places her own calls accurately,
so that they do not have to be
placed again ... does not monopo-
lize the telephone at the inconven-
ience of others ... teaches children,
too, the little telephone kindnesses
... and when her telephone is not
in use, sees that it is hung up.

When you call somebody
by telephone

PLEASE DON'T
"HANG UP"
TOO SOON

"Play Ball" with him by
giving him time to answer.
