Two friendly telephone habits:
QUICK to answer when your bell
rings; SLOW to hang up when you
call someone who does not immedi-
ately respond. In calling others,
remember that the called person
may be almost there—so wait a few
seconds longer.

A store may not immediately
come to the mind of a prospect
when special services are desired,
such as are offered by a Beauty
Salon, Radio or Watch Repairing
Department. Many establishments,
realizing this, advertise under sev-
eral classifications in the Classified
Directory. Thus they direct more
business their way.
