Two friendly telephone habits: QUICK to answer when your bell rings; SLOW to hang up when you call someone who does not immediately respond. In calling others, remember that the called person may be almost there—so wait a few seconds longer.

THERE IS A DIFFERENCE!

For over a quarter century smart, thrifty homekeepers have been proud to say:
"Turko-Persian cleans MY rugs"

Why not get the finest Oriental and domestic rug, fitted carpet, and upholstery cleaning which has won national recognition... the award of the prized emblem shown below.

The Guild certifies that we use modern costly equipment and scientific processes which conform to the rigid high standards established by the Guild to protect the public against faulty and often harmful methods used by the average rug cleaner because of lack of adequate technical knowledge and guidance such as that furnished by the Guild.
