More and more people are finding that by consulting the Yellow Pages as a buyers' guide they save both time and effort.

COLONIC TREATMENT

The Dr. Brandon Method of Colonic Treatment has been in successful use in stubborn cases since 1887. Learn why it differs from all other methods and must not be confused with the ordinary "internal bath" or "high enema." It costs you nothing to investigate and may result in the solving of your problem.

CONSULTATION & EXAMINATION WITHOUT COST OR OBLIGATION

does not in any way obligate you to start treatment nor does it obligate me to accept your case. A phone call brings you full information. Day and evening hours by appointment only.
