**Radar ranks high in the top
bracket of new instruments that
brought victory to the Allies. It was
developed through years of re-
search and experiment, chiefly in
the United States and Great Brit-
ain. Scientists of Bell Telephone
Laboratories and workers of West-
ern Electric Company developed
and supplied our Government with
more radar equipment than any
other supplier.**

REPAIR IT

If the refrigerator,
vacuum cleaner, sew-
ing machine, washing
machine or radio in
your home isn't work-
ing properly, call a
repair man now.
You're sure to find
one nearby if you—
