Have you thought of having a  
separate business listing in the Tele-  
phone Directory under your own  
name? The charge for these extra  
listings is small, the convenience  
often great.

Telephone people, though never  
busier, are never too busy to be  
courteous and helpful.

When you take down your tele-  
phone to dial, a few seconds are  
sometimes required for the equip-  
ment at the central office to get  
ready to serve you. When it is in  
position you hear a notifying hum,  
a "dial tone," corresponding to an  
operator's "Number, please?" If  
you will wait for this dial tone, it will  
speed your calls!
