Good party-line neighbors are considerate party-line users. Remember these golden rules:

• Space your calls instead of making several without a break.

• Talk only as long as necessary on each call.

• When you finish talking replace the receiver properly.

• Make certain, if you are using a dial telephone, that the line is clear before you dial.

• Ask your youngsters to be considerate, too.

When good party-line neighbors use a dial telephone, they always remember to make sure the line is clear before they dial. And they replace the receiver properly when they're through.
