DOCTOR HUNT asks
HOW DO YOU FEEL?

DR. J. C. HUNT
D.C.

The natural health and vigor of EVERY ONE of the millions of cells in the human body depends upon the smooth flow of NERVE FORCE! And it is the NERVOUS SYSTEM alone that contains this vital energy! A PINCHED NERVE somewhere among the movable spinal joints causes sickness—first, weakness in the part of the body it serves, then disease and suffering. This pressure MUST be removed before complete health will return—and ONLY CHIROPRACTIC CAN DO IT!

Specializing in the specific adjustment of the cause of disease.
