Would you like to get your share of business from customers in your neighborhood? Then why not advertise in the Classified Telephone Directory? Simply call the Business Office of the telephone company and ask for the Directory Advertising Representative. He will help you plan a sales-building message.

Behind on orders? Let handy Classified introduce the suppliers you need. It's fast. It's convenient. Wise buyers say there's nothing like the Yellow Pages of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try Classified once... you'll use it often.

NOW! YOUR MATTRESS RENOVATED
