TRANSFERS

Free transfers are issued upon payment of fare for use on either streetcar, cable car, electric trolley or motor coach. These transfers are given only if time payment of fare is made in order to avoid misunderstanding and delay. They are good for a ride in one general direction by the shortest possible route.

LOST AND FOUND

If you should lose something on one of the vehicles immediately call the Municipal Railway, FI llmore 6-5656, with a full description of the property, together with the line and route you were using. Every effort will be made to trace the lost article for you.

FOR BETTER SERVICE

Please leave streetcars by the front gate and coaches by the rear door. This will speed service and save you valuable time. Also, if you're just "seeing the town" or shopping you will do much to lessen rush hour traffic by riding the Railway between 10:00 a.m. and 3:00 p.m. and by having your fare ready when boarding. Streetcar and coach loading zones in the downtown areas are designated by concrete islands and signs on posts, in heavily traveled business districts by red curbs, and in outer areas by yellow bands on light poles.
