There's a **BIG DIFFERENCE** in **MATTRESS RENOVATING**

More people who own good mattresses have AIRFLEX rebuild them... Here's why:

- Your mattress fillings are always kept separate from those of other customers.
- Only new fillings (of finer, better grades) are added to yours.
- Separate wrapping on pick-up and delivery is part of the careful Airflex handling of your article.
- A thorough, factory examination is made so that recommendations are made only for what is needed for your comfort.
- An itemized free estimate is given for your approval before any work is started.

Phone AIRFLEX for better renovation service.
