Good party-line neighbors are considerate party-line users. Remember these golden rules:
• Space your calls instead of making several without a break.
• Talk only as long as necessary on each call.
• When you finish talking replace the receiver properly.
• Make certain, if you are using a dial telephone, that the line is clear before you dial.
• Ask your youngsters to be considerate, too.

Purchasing agents use the Classified Telephone Directory as their buying guide. Why not investigate the sales-building possibilities of advertising in the Classified Telephone Directory? Just call our nearest Business Office.
