HOW IT WORKS

A direct extension from your telephone to our switchboard will flash a light under your name every time the phone in your office rings.

If you answer the phone... the light will continue to flash.

If you do not answer... the light will continue to flash.

We will answer the phone in your name, and act as your secretary.

We will answer questions, quote prices or make appointments.

We will secure names, addresses and telephone numbers.

We will give the information to you when you return to the office, or at home or relay to whom you designate.

You can have this service day and night, or any part of the day or night.

You may use one of our telephone numbers as your own address and telephone number as your own.
