Two friendly telephone habits:
QUICK to answer when your bell rings;
SLOW to hang up when you call someone who does not immediately respond.
In calling others, remember that the called person may be almost there—so wait a few seconds longer.

Here's how you may be sure of getting your party more often when you dial:

1. Look up your number in the latest directory.
2. Listen for the steady hummm of the dial tone.
3. Keep your eye on the dial.
4. Wait a minute before you decide your party isn't home.
