CARRY COLOR SAMPLES
When a wall is painted, have
the painter paint the color on a
small piece of board. Then take
this with you when you look at
draperies, furniture, rugs, pictures,
etc., for that room.

TO PAINT SCREENS

To paint a screen, or cover it
with insect repellent, fasten a
piece of old carpet to a block of
wood. By using this implement in-
stead of a brush, you will save
lots of time and avoid lots of
splattering.
