**\$50,000 WORTH OF NEW
 RUG CLEANSING EQUIPMENT
 AT YOUR SERVICE!**

Established 1914

No finer equipment is obtainable than that used at New Process.

All types of rugs, from the most inexpensive floor coverings to treasured Orientals treated as your prized possessions.

Rugs are cleaned on a curved-drum surface—a small portion at a time—which opens the nap and permits complete removal of all soil. Rugs are returned clean as new—bright and colorful.

You are invited to telephone for free booklet—a picture-story of rug cleansing, the careful, thorough, New Process Way.
 We also clean upholstery & wall to wall carpets

Twenty-five trucks serving San Francisco & down the Peninsula through Redwood City. No pick-up or delivery charge. All rugs insured. Fast service. Modest cost. Estimates gladly given.
