TO PAINT SCREENS  
To paint a screen, or cover it with insect repellent, fasten a piece of old carpet to a block of wood. By using this implement instead of a brush, you will save lots of time and avoid lots of splattering.

## COLONIC TREATMENT

Since my father, the late Dr. Julian R. Brandon Sr., originated his exclusive method of colonic treatment and drugless therapy in 1887 - 68 years ago, thousands of chronically ill persons have been restored to good health through his painless & drugless method.

During my many years of practice I have never deviated from his ORIGINAL METHOD nor from his principle of personally treating all patients. There is no substitute for experience and there is no substitute for the personal attention of the doctor. My nurses are attendants only. You always get my personal care. Day and evening hours BY APPOINTMENT ONLY.
