**ONIONLESS ONION**

If you like potato salad but do  
not like raw onion, you might try  
boiling an onion in the water in  
which you are boiling the pota-  
toes for the salad. This gives the  
Spuds the flavor of onion.

Good party-line neighbors are  
considerate party-line users. Re-  
member these golden rules:

- Space your calls instead of mak-  
ing several without a break.
- Talk only as long as necessary on  
each call.
- When you finish talking replace  
the receiver properly.
- Make certain, if you are using a  
dial telephone, that the line is  
clear before you dial.
- Ask your youngsters to be con-  
siderate, too.

**NEWSPAPER FIREWOOD**

To make a small grate or stove  
fire, or to kindle a big one, use  
old newspapers which have been  
rolled up tightly, soaked over-  
night in water, squeezed out  
and allowed to dry for several  
days. The tighter they are  
squeezed, the better firewood  
they make.
