

LOCATED for CONVENIENCE

in YOUR KITCHEN

Extra pleasure and comfort are yours when you have a telephone in your kitchen. It is so handy for receiving calls while baking or cooking those dishes that need your constant attention. When placing calls, you will also enjoy this modern convenience.

or YOUR LAUNDRY

Ever have your telephone ring when you were in the laundry? Imagine what it would be like to have a telephone within easy reach. No more running through the house or upstairs to catch it before it stops ringing.
