\$50,000 WORTH OF NEW RUG CLEANSING EQUIPMENT AT YOUR SERVICE!

Established 1914

No finer equipment is obtainable than that used at New Process.

All types of rugs, from the most inexpensive floor coverings to treasured Orientals treated as your prized possessions.

Rugs are cleansed on a curved-drum surface—a small portion at a time—which opens the nap and permits complete removal of all soil. Rugs are returned clean as new—bright and colorful.

You are invited to telephone for free booklet—a picture-story of rug cleansing, the careful, thorough, New Process Way.

We also clean upholstery & wall to wall carpets

Twenty-five trucks serving San Francisco & down the Peninsula through Redwood City and Sharp Park Area. No pick-up or delivery charge. All rugs insured. Fast service. Modest cost. Estimates gladly given.
