NEWSPAPER FIREWOOD To make a small grate or stove fire, or to kindle a big one, use old newspapers which have been rolled up tightly, soaked overnight in water, squeezed out and allowed to dry for several days. The tighter they are squeezed, the better firewood they make.

Here's how you may be sure of getting your party more often when you dial: 1. Look up your number in the latest directory. 2. Listen for the steady hummm of the dial tone. 3. Keep your eye on the dial. 4. Wait a minute before you decide your party isn't home. The Yellow Pages save you time.
