

RATES FROM SAN FRANCISCO FOR TYPICAL LONG DISTANCE CALLS

For Rates to Points in Message Unit Calling Area See Page 4.

Here are some examples of station-to-station rates to out-of-town points. The rates shown are for three minutes and do not include Federal Tax. Person-to-person calls are slightly more than station-to-station calls. A collect call, to be billed to the number you are calling, costs no more than other calls except that the minimum charge for a collect call is 30c. Night and Sunday rates apply from 6:00 P.M. to 4:30 A.M. and all day Sunday.
