NEWSPAPER FIREWOOD
 To make a small grate or stove fire, or to kindle a big one, use old newspapers which have been rolled up tightly, soaked overnight in water, squeezed out and allowed to dry for several days. The tighter they are squeezed, the better firewood they make.

CAN YOU TIE THIS?
 To keep the string from loosening on a package, wet it before you tie the package. String will shrink as it dries.
 To Find Someone in your NEIGHBORHOOD WHO SELLS IT
 Looking for someone close by who sells or has a service you want will be easy when you
