Here's how you may be sure of getting your party more often when you dial:
1. Look up your number in the latest directory.
2. Listen for the steady hummm of the dial tone.
3. Keep your eye on the dial.
4. Wait a minute before you decide your party isn't home.

KEEP LIGHT FROM MILK
Keep light from milk to prevent loss of riboflavin, its most important vitamin element. If you don't meet the milkman, leave out a covered, insulated box for bottles of milk. Remember that light hurts milk more than heat does in a short time.
