KEEP LIGHT FROM MILK
Keep light from milk to prevent
loss of riboflavin, its most impor-
tant vitamin element. If you don't
meet the milkman, leave out a
covered, insulated box for bottles
of milk. Remember that light hurts
milk more than heat does in a
short time.

AT YOUR FINGERTIPS
To keep screws, nails, etc.,
handy and in view, attach the lids
of glass jars to a rafter or shelf
over your workbench. Screw jars
in place.

An extension telephone adds
comfort and convenience to your
home for only a few cents a
