In these busy days when saving
time is so important, more and
more telephone users are following
the thoughtful way of answering
the telephone: "Harry Smith
speaking." Such an introduction
establishes identity, saves time
and makes a good impression.

If you have a break in the
edge of linoleum, take a good-
sized piece of cloth (to reach well
beyond the break at all points),
cover it with glue and put it be-
neath the linoleum. Weight it
down with heavy objects until it
has had time to dry and set.
