HOW OUR RELIABLE PROFESSIONAL SERVICE WORKS
 A direct extension from your telephone to our switchboard will flash a light under your name every time the phone in your office rings.
 If you answer the phone . . . the light will go out.
 If you do not answer . . . the light will continue to flash.
 We will answer in your name, and act as your secretary.
 We answer questions, quote prices, make appointments.
 We will secure names, addresses and telephone numbers.
 We will give the information to you when you return to the office, or at home or relay to whom you designate.
 You may use one of our telephone numbers as your own, or our address and telephone numbers as your own.

Good party-line neighbors are considerate party-line users. Remember these golden rules:

- Space your calls instead of making several without a break.
- Talk only as long as necessary on each call.
- When you finish talking replace the receiver properly.
- Make certain, if you are using a dial telephone, that the line is clear before you dial.
- Ask your youngsters to be considerate, too.
