FOUR THOUGHTFUL ITEMS OF TELEPHONE PROCEDURE

1. Please answer promptly.

2. Please be on the line when the party you want answers.

3. Please speak distinctly and without hurrying, with the lips close to the mouthpiece.

4. Please replace the receiver gently when through talking.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home, yet their cost is very small if they are installed during construction.
