QUICK BRASS CLEANER
You can clean copper and
brass instantly by rubbing with a
mixture of vinegar and salt. The
finish won't last as long as with
regular metal polish, but the mix-
ture does a fine job.

**FRONTIERS
beyond**

There are always new
frontiers to telephone
service, problems to be
solved, improvements to
be made, and there will
always be Telephone
Pioneers pushing on to
new achievements.
